EU Declaration of Conformity	SparkVision Glasses 2 Lite EU Declaration of Conformity

Intended use

SparkVision Glasses 2 Lite are a non-medical assistive consumer product. The product captures visual and audio information, processes selected information locally or through the SparkVision Assistant app and SparkVision services, and provides spoken output to support everyday access to information.

This product is not a medical device. It is not intended to diagnose, prevent, monitor, treat, alleviate, or compensate for disease, injury, or disability. It is not a safety device, navigation device, emergency device, payment-verification device, food-safety device, or tool for legal or financial decisions.

The product is intended for people who want spoken access to visual information, including users with visual impairments. Use by children or vulnerable users should be supervised by a responsible adult or caregiver.

Package contents and compatible accessories

The SparkVision Glasses 2 Lite package includes the SparkVision assistive software configuration and the SparkVision Smart Ring control accessory.

The standard glasses package includes:

- SparkVision Glasses 2 Lite.
- One pair of nose pads.
- Glasses storage case.
- Magnetic charging cable.
- User manual or product information.

The SparkVision package also includes SparkVision Smart Ring and any charging or fit accessories supplied with that package.

The SparkVision Smart Ring package includes:

- Hard travel pouch with zipper.
- Five elastic rings for different finger sizes.
- Portable ring protector.
- Fast-charging clip, with full ring charging in approximately 60 minutes.
- 1 m USB-A to USB-C charging cable for the charging clip.
- SparkVision Smart Ring module with supplier-declared IP67 water and dust protection.

Radio parameters and conformity

The product uses wireless interfaces for Bluetooth pairing, SparkVision Smart Ring control, data transfer, and companion-app connection. Use the product only in countries and regions where these radio interfaces are permitted.

"SPARK VISION IS" Ltd. declares that the radio equipment type SparkVision Glasses 2 Lite conforms to Directive 2014/53/EU and other applicable EU requirements when used as intended and according to the user manual.

Warranty and support

- Commercial warranty: 24 months from product delivery, unless different terms are stated in the purchase documents.
- The warranty covers manufacturing defects during normal use.
- The warranty does not cover misuse, unauthorized repair, water damage, impact damage, normal battery wear, unsafe chargers, or incompatible accessories.
- Keep the purchase document, serial number, Glasses ID, account/licence information, and service correspondence.
- SparkVision handles warranty and support for the SparkVision package. Hardware safety assessment or repair is performed by SparkVision, through a qualified Rokid hardware-service route or another authorized service center coordinated by SparkVision unless otherwise stated in the purchase documents.
- This commercial warranty does not affect statutory consumer rights under applicable law.
