EU Declaration of Conformity	Workstation SparkVision W-SV-01 EU Declaration of Conformity

Intended use

SparkVision Workstation W-SV-01 is a non-medical assistive consumer product. It is a stationary reading workstation that captures printed documents or uploaded files, extracts text, and provides spoken or editable text output to support everyday access to written information.

This product is not a medical device. It is not intended to diagnose, prevent, monitor, treat, alleviate, or compensate for disease, injury, or disability. It is not a safety device, emergency device, payment-verification device, food-safety device, or tool for legal or financial decisions.

The product is intended for people who want spoken or enlarged access to written information, including users with visual impairments. Use by children or vulnerable users should be supervised by a responsible adult or caregiver.

Package contents and compatible accessories

- SparkVision Workstation W-SV-01.
- Camera/stand unit.
- Standard USB Type-A cable for connection to a computer.
- Software licence key or activation information.
- Printed or electronic product information.
